

## **COVID SAFE POLICIES**

At Wendorff Dancing Academy we take our role seriously in providing and maintaining best practices in relation to hygiene standards and providing a nurturing and safe environment for our students.

Our Covid safe practices have been developed using Ausdance and Worksafe best guidelines.

Students must not come to class if they are unwell.

Teachers will not attend if they are unwell.

Only one adult should accompany students for drop off and pick up.

The waiting area inside the studio is closed. All parents except for sub junior classes are asked to drop and go or wait in their cars.

Sub junior classes may have one parent in the waiting area. Please socially distance and use hand sanitizer. Parents staying at the studio will need to sign in and out and the provided register.

One parent is allowed to enter the studio to pay fees.

Students are expected to come ready to dance with their own drink bottle and are expected to wash their hands and use hand sanitizer before class.

Students are asked to socially distance while waiting to enter their dance room.

WDA teachers will be vigilant about marking the roll to ensure we know who

has attended the studio.
